## **BOOK SYNOPSIS**

The Health Care Compliance Professionals Manual gives you all the tools you need to plan and execute a customized compliance program that meets federal standards. It walks you through the entire process, start to finish, showing you how to draft compliance policies, build a strong compliance infrastructure in your organization, document your efforts, apply self-assessment techniques, create an effective education program, pinpoint areas of risk, conduct internal probes and much more. The Health Care Compliance Professionals Manual is used by the Health Care Compliance Association (HCCA) as the basic text for its Compliance Academy - the program that prepares compliance professionals for the CHC (Certificate in Healthcare Compliance) certification exam. The Health Care Compliance Professionals Manual will help you to:

- Use OIG publications and Federal Sentencing Guidelines to help plan and execute a customized compliance strategy that meets tough federal standards
- Perform risk assessment to pinpoint areas within your company that pose compliance and operational risks
- Draft compliance policies that form the foundation for a strong compliance program
- Build a strong infrastructure for compliance to work, including hiring the right personnel
- Create an effective education and training program that instills in employees the value of legal compliance
- Conduct internal probes that uncover legal violations before the federal government does - and mitigate possible penalties
- Stay up-to-date on all the latest legal and regulatory requirements affecting your facility, including HIPAA, EMTALA, fraud and abuse reimbursement, privacy, security, patient safety and much more!

Packed with tools to make your job easier, The Health Care Compliance Professionals Manual will provide:

- Practical coverage of federal and state laws governing your facility
- Document efforts and apply self assessment techniques
- Insight into helpful federal standards on effective compliance programs
- Step-by-step guidance on implementing a sound compliance program
- Time-saving sample compliance policies, forms, checklists, and chart

The Health Care Compliance Professionals Manual will protect your company if violations do occur:

- Learn how to apply auditing, monitoring, and self-assessment techniques
- Discover how to successfully follow the OIGs voluntary disclosure program to resolve overpayment problems and avoid exclusion from Medicare
- Find out how to enter into a corporate integrity agreement to settle with the federal government and mitigate FCA-related penalties
- Document your compliance efforts so you leave a protective paper trail that shields you from liability
- And much more
