BOOK SYNOPSIS

Kissing the sexy soldier was a dare she couldn't resist... By-the-book event planner Beth Brannigan's best friend dared her to kiss a cowboy. She should have said no. Instead, she said please...again and again. If her brother finds out she's dating—okay, kissing—okay, sleeping with—one of his military buddies, he'll kill her. Assuming he doesn't kill his friend first. Former Army Ranger Brick Mitchum isn't a relationship kind of guy. But then he meets Beth and starts to wonder if maybe it's time he settled down. She's mysterious. Unpredictable. Curvy in every way he needs... And hiding something. He's just got to figure out what. Each book in The Men of at Ease Ranch series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 In a Ranger's Arms Book #2 Her Secret Ranger
