BOOK SYNOPSIS

To catch a thief, the FBI is soliciting the help of someone who could prove to be most lethal...his lover. But the million-dollar question is...whose side is she really on? Jordan Lei is debonair and smart. Armed with stunning good looks and enough swagger to make the most confident man feel inadequate, he uses his wits and charm to get whatever he wants. So when he sets his eyes on Bianca, she's no different than any other treasure that he's ever desired. Equipped with suave and seductive sophistication, Jordan can't lose when he sweeps Bianca up into a world of espionage and international intrigue. No challenge is too great, no vault too difficult to crack, as Jordan prides himself on accomplishing any mission regardless of how impossible. Bianca Brooks wants Pleasure Principles to become the premier event planning company that the upper echelon of society calls on when extravagance is a must. After her first steamy encounter with Jordan Lei, her world is transformed from that of a struggling business owner to one of mind-blowing privilege. Sexually enticed, Bianca is willing to do whatever it takes to keep Jordan giving her toe-curling thrills between the sheets. But once she discovers how far Jordan is willing to go to protect his lavish lifestyle, even at the expense of her own life, will Bianca finally snap out of the sexually induced spell he has her under? Or will she stay wrapped up in his web of sex, lies, and deceit?

SEXPIONAGE A NOVEL - Are you looking for Ebook Sexpionage A Novel? You will be glad to know that right now Sexpionage A Novel is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
